DESIGN & MANUFACTURING OF

SPECIAL PURPOSE MACHINE, JIG, FIXTURE, INDUSTRIAL FABRICATION, AND PRECISION TOOLING

About Us

S. J. Enterprises

S. J. Enterprises specializes in the design and manufacturing of special purpose machines, jigs, fixtures, industrial dies, and precision tooling. Furthermore, we ensure the timely delivery of all products to our clients, which has helped us build a strong and trusted client base in the market. With a focus on quality, innovation, and precision engineering, we cater to diverse industrial requirements. Our experienced team and advanced manufacturing capabilities enable us to deliver reliable, cost-effective, and customized solutions that meet international standards.

Mission, Vision & Core Values

Our Vision

S. J. Enterprises vision is to be a World Class design and manufacturing of special purpose machine, jig, fixture, industrial dies, and precision tooling. Furthermore, we ensure to timely deliver these products to our clients, through this we have gained a huge clients base in the market.

Our Mission

S. J. Enterprises mission is to provide a qualitative assortment of design and manufacturing of special purpose machine, jig, fixture, industrial dies, and precision tooling. Furthermore, we ensure to timely deliver these products to our clients, through this we have gained a huge clients base in the market service and value.

Core Values

We are a design and Leading manufacturing of special purpose machine oriented organization focused on our clients needs. We will work relentlessly to ensure our clients are successful. We are committed to the company's strategic growth, and to our valuable employees that will assist us in our future endeavours.

WHY CHOOSE US?

Customized Engineering Solutions - Tailor-made jigs, fixtures, automation, and SPMs designed to match your exact requirements.

End-to-End Support - From concept design to manufacturing, installation, and after-sales service.

Technical Expertise - Skilled engineers with advanced CAD/CAM/CAE knowledge and hands-on industrial experience.

Innovation & Automation - Focus on modern robotic systems and smart manufacturing solutions.

Quality Assurance - Strict quality control with reliable and durable engineering outcomes.

Cost-Effective Solutions - Optimized designs to reduce costs without compromising performance.

On-Time Delivery - Committed to meeting deadlines and ensuring smooth project execution.

Customer-Centric Approach - Building long-term partnerships with focus on client satisfaction.

We S.J.Enterprises introduce ourselves as a small-scale industrial unit situated near Bhosari Industrial Area. We wish to render our services to you in field of Special Purpose Machines, Industrials Fabrication Works, Special Tooling Items and Inspection & Welding Fixtures, Jigs. We would like to develop special items / machinery and Fabrication Works as per your need and specifications.

Some of our esteemed customers are

- GE India Pvt. Ltd.
- Taco EV Component Pvt. Ltd.
- Aptive Component India Pvt. Ltd.
- Auto line Industries Ltd.
- Tata
- Forms Surfaces
- Polyrub Copper Standard Pvt. Ltd.
- Precitch Componant Pvt. Ltd
- U S hydraulics Pvt. Ltd etc.
- MK Tron
- Deep Production
- Amphenol

We have necessary technical expertise in the field and have adequate manufacturing and checking facilities at our disposal. The list of Installed Machinery and Instruments is enclosed along with for your perusal.

We request you to register us as your vendor and float your enquiries. We assure you of quality, Reasonable rates, prompt delivery and best attention always.

Thanking You,

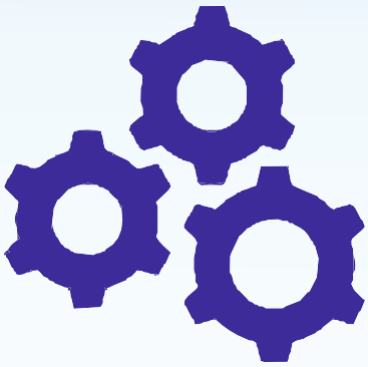

Sincerely,

S. J. Enterprises

Name of Industry	S. J. Enterprises
Address	S. No. 213/5 Rastra Prem Nagar, Dighi Road, Bhosari, Pune- 411 039
Contact Numbers	+91-9922534959
Contact Person	Mr. Yakub Sayyed / Kalim Sayyad
Contact	+919922534959/ 9730648896
E-mail	yssjenterprises49@gmail.com / kalimsayyed@sjenterprise.in
Machine shop	Near Jyotiba Mandeer, Talawade Pune-411 062
Nature of Work	Manufacture Of Spms, Fixture, Industrial Fabrication Work, And Precision Engineering Tools
GSTIN	27BIUPS0575D1ZT
Plant area	2500 Sq. Ft.

LIST OF INSTALLED MACHINERY

Milling Machine [Universal] Du Four 500mm Length
M1TR MACHINE
Lathe 7'6"
Drilling Machine Ø32 drill
VMC (STM) 700 X 1200 X 700
VMC (AMS) 850 X 500 X 500
Bench Grinder
Welding Machine Argon
Welding Machine CO2
Welding Machine Tig
Metal Cutting Machine
Plastic Welding Machine

INSPECTION EQUIPMENTS

Surface Plate	Asha	630 X 630
Slip Gauge Box	Russian	83 nos
Height Gauge	China	300 mm
Height Gauge	China	600 mm
Dial (Lever Type)	Mitutoyo	2µ / 0.4mm
Dial (Lever Type)	Mitutoyo	10µ / 1mm
Dial (Plunger Type)	Mitutoyo	2µ/5 0.01/10
Micrometer	Mitutoyo	0 to 150 mm
Micrometer(Depth)	Mitutoyo	0 to 150 mm
Vernier	Mitutoyo	Up to 600 mm
Bore Gauge	Mitutoyo	06 - 50 mm/4 nos
Bore Gauge	Mitutoyo	50 - 160 mm/1 nos

KEY FACTS

Basic Information	
Nature Of Business	Manufacturer and Supplier
Year of Establishment	2007
No. of Employees	12
No. of Designers	02
No. of Engineers	02
No. of Welder	02
No. of Operator	03
Other	03
No. of Production Units	02
Monthly Production Capacity	As Per Requirement
Original Equipment Manufacturer	Yes
Warehousing Facility	Yes
Company Branches	01
Production Type	Automatic / Manual

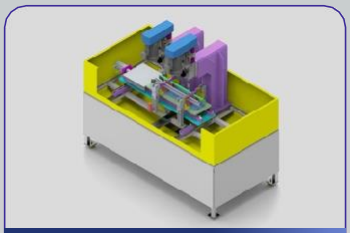

Our Products

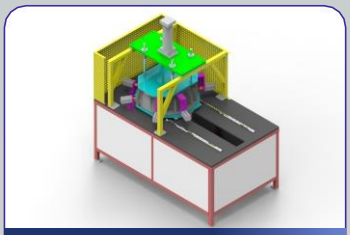

Special Purpose Machines

S. J. Enterprises is a leading Special Purpose Machine (SPM) manufacturer and exporter in Pune, delivering precision-driven manufacturing solutions. We design and manufacture a wide range of SPMs including Drilling, Boring, Milling, Welding, Leak Testing, and Fully Automatic machines for specific production needs. With global exports and a strong focus on customization, we provide reliable, high-performance solutions tailored to customer requirements.

WIRE DECOILER

STUD CLINCHING MACHINE

Fixtures

S. J. Enterprises designs and manufactures high-precision fixtures to ensure accuracy, repeatability, and efficiency in manufacturing processes. Our custom-built fixtures securely hold and locate components during machining, welding, assembly, and inspection operations, helping reduce cycle time, improve product quality, and enhance operator safety across diverse industries.

Our Products

Manipulator

We are a leading Manipulator manufacturer and exporter in Pune, offering high-quality, durable, and customizable solutions for diverse industries. Our manipulators are designed to ensure smooth, efficient feeding and precise positioning of materials. They play a vital role in automating material handling across manufacturing and production operations. Trusted by customers in India and abroad, we deliver reliable performance tailored to specific operational needs.

VACUUM MANIPULATOR

Hydraulic Power Pack

S. J. Enterprises is a leading Hydraulic Power Pack manufacturer and exporter in Pune, delivering durable, efficient, and high-quality hydraulic solutions. We design customized power packs for diverse industrial applications with reliable performance and energy efficiency. Serving domestic and global clients, we are trusted across automotive, construction, aerospace, and heavy engineering industries.

HYDRAULIC CYLINDERS

PNEUMATIC OPERATED TABLE

Hydraulic & Pneumatic Equipments

We offer reliable Hydraulic & Pneumatic Equipment designed for efficient fluid power transmission, ensuring precision, durability, and smooth industrial operations.

Our range of Hydraulic & Pneumatic Equipments delivers high performance and consistent output for industrial applications. Engineered for strength and accuracy, they ensure safe, efficient, and long-lasting operation.

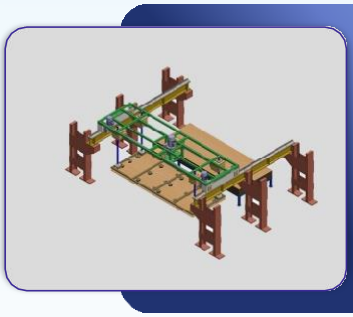

We specialize in supplying and servicing Hydraulic & Pneumatic Equipments that support automated and heavy-duty industrial processes. Our solutions are built to enhance productivity, control, and operational reliability.

Our Products

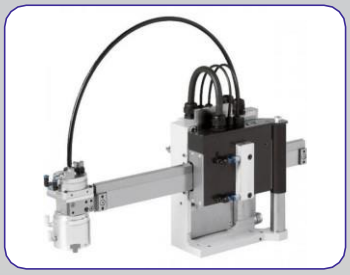

Pick & Place Units

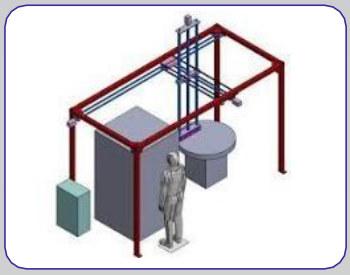

S. J. Enterprises offers advanced Pick & Place Units designed to streamline material handling with precision, efficiency, and reliability. Engineered for modern industrial needs, these units provide versatile automation solutions across multiple applications.

Industries Served: Packaging & pelletising, assembly lines, material handling, sorting & distribution, and manufacturing pick-and-place operations.

Industrial Fabrication

S. J. Enterprises offers high-quality heavy machine fabrication solutions engineered for precision, durability, and performance. Backed by strong engineering expertise and innovation, we deliver customized fabrication services tailored to specific industry requirements. Our solutions serve industries including heavy equipment manufacturing, construction, mining, energy, and transportation.
